

English

In English, our key text will be 'Old Bear'. We will be focusing on two big writes – retelling the story and writing a message to some of the characters. Spelling, punctuation and grammar lessons will be embedded throughout.

History

In History, we will be learning about

Music

Our music topic is My Musical Heartbeat. Children will be exploring rhythm using percussion instruments and their own body.

Computing

In Computing we will be focussing on Touch Typing and Branching Databases.

Art and Design

Our topic is Mark Making. The children will learn to blend different colours as well as using different brush strokes to create different patterns.

PE

In P.E the children will be learning Ball Skills and Gymnastics.

Who We Are

Science

In science we will be learning about materials. By the end of the unit, the children will have learnt to sort materials, identify properties of materials and explain how materials can change.

Geography

In Geography we will be learning about

Religious Education

In RE this term the children will be learning about God and Prayer. Children will think about different ways that Christians can show forgiveness and love. The children will have the opportunity to complete a range of activities to consolidate their understanding.

Maths

Our Maths topics this term will be focused on Place Value within 10. We will be looking at sorting and counting objects, as well as calculating one more and one less. Later in the term we will look at using number lines and learning number bonds to ten.

RHE

In RHE our topic is 'Dream and Goals'. In this unit the children will get a chance to look at how others have overcome obstacles to reach their goals. They will have a chance to find out what motivates them to achieve.
