

English

In English, the pupils will be looking at two key texts, 'Voices I the Park' and 'Mouse, Snake, Bird Wolf'. As writers we will have a look at how different events can be seen from different perspectives that help us to form opinions for persuasive writing..

History

In History, we will be learning about the Indus Valley. We will be learning where it is, how this area developed. We will be learning about the area's historical culture, monuments and statues and about the lives of the people who lived their.

Geography

In Geography we will be learning about settlements. We will be learning what a settlement is and how they develop. We will be learning about different types of settlement and carrying out case studies on particular settlements.

Art and Design

Our topic is Cartouche linked to the Indus Valley. We will be learning what they are and where they come from, children will research and design their own and finally completing and painting their own.

PE

In P.E the children will be learning how to play Tag Rugby and Dodgeball. The children will be building on the skills they have learnt in a fun and competitive environment.

Religious Education

In RE this term the children will be learning about The Incarnation. Children will begin to understand the different features of the Father, Son and holy Ghost, as well as the symbols used by Christians for God and how God and the Holy Spirit are at work in everyday life.

The Indus Valley

Science

In science we will be learning about magnets and forces. Children will learn about the forces created between two objects and will finish the term researching William Gilbert.

Music

Our music topic is 'Three little Birds.' We will be singing the song, playing instruments accompanying the song and improvising and composing linked to this song.

Maths

Our Maths topics this term are multiplication and division followed by length and perimeter. The children will consolidate their fluency skills before applying their understanding in a wider range of contexts. Such as word problems and problem-solving. By the end of the term, the children will be confident in using and applying all four operations in a variety of contexts.

Latin

In term 3 the children will be learning about the different verbs forms as the family prepare for a party and a shopping trip!

RHE

In RHE our topic is 'Dream and Goals'. In this unit the children will get a chance to look at how others have overcome obstacles to reach their goals. They will have a chance to find out what motivates them to achieve.

Computing

In Computing we will be focussing on Touch Typing and Branching Databases.
