

# KisKlay pottery

KisKlay is running various pottery classes

1-1 sessions available or bring a friend, my studio has room for two. I'm a mobile potter, should you not be able to travel, I can come to you. I work predominantly with primary school children in an after school setting. I'm also teaching 1-1 with Zac, who has autism, encouraging those fine motor skills in creating beautiful pieces of pottery.

Contact me for further details on 07790025432 or email me [kisklay11@gmail.com](mailto:kisklay11@gmail.com) and take a look at my work @kisklay instagram or visit my Facebook page.
